

THE MARK

A paw whose four toes read as a roofline over a heart — the health cross is the signal.

On sand (primary)

Reversed, on dark surface

- Heart — Terracotta
- Toes — Gold
- Cross — Sand / Cream (or dark bg colour, reversed)

PRIMARY LOCKUPS

Horizontal is the preferred lockup for headers, letterhead and wide banners.

A PROGRAM OF THE JOPETNAH FOUNDATION

Jopetnah Animal Health Initiative

Community animal health and rabies prevention

Healthy animals. Safe families.

Use when width allows / 3× the icon's height. Never compress the icon-to-text ratio.

STACKED LOCKUP

For square formats.

CLEAR SPACE & MINIMUM SIZE

Clear space / the width of one toe on every side (dashed).

Minimum size: 24px / 0.25" tall for the icon alone;
120px / 1.25" wide for the horizontal lockup.

Never crowd the mark with other logos, text or edges — the clear space above is the minimum, not the target.

COLOUR PALETTE

Terracotta

#C4623C

Heart, primary accent, links

Gold

#D8A63D

Toes, highlights, small accents

Terracotta Dim

#8F4A31
